Gentlemen:-

Would have examined
copy sent me early this week a
little sooner but have been so busy
catching up in my regular work
that I didn't have the time.
My selection this time. I'm afraid
will be very small. due principally
to the fact that of the 12 specimens
sent. nine were sent me on approval
or consignment. and the balance. excepting
the 40 hor. are either too high
priced or have some defect. that ren-
ders them unsuitable.- Would
have selected both the 1803 Eagle

the 1835 - 1/2 eagle. but didn't like the "3" in the former & the faint "8" in the date of latter. The former may be a surcharge. but would always prefer an original date. particularly as I am not collecting all the dates of each value.

I am always in the market for gold coins of Finland. Portugal Italy. Turkey. England. (double & 1/2 ea.) Greece. (excepting 20 drach) Egypt. Venezuela. Intrinsic. excepting the smallest denominations. up to a denomination of 10.00 in Va.

What do you want for uncirculated specimens of the present issue of 1/4 - 1/2 - eagle & double eagle?

Enclosed you will find draft for 4.00 for the India Mohur of 1841. Trusting to hear from you

Gentlemen:-

I have this day returned gold coins, valued at $96.20 — which you so kindly sent me on approval a few days since, and regret my inability to make even one selection from my last. or in at least one of my latest communications to you stated that a friend of mine was in Europe & was on the quest of gold coins. I succeeded in securing quite a few, and in fact bought one small collection out of which I through the medium of Traders succeeded in augmenting my collection to quite an extent -

particularly my collection of ducats, guineas, French, Italian & German pieces.

Will say however, that Dam in the market for English. 1/3 £7 1/4 guineas (any date.) U.S. $4.00 (Stella) gold. 12 Ruble. (Russian) platina. any date.

Thanking you for your kindness in submitting them and again regretting my inability to make a selection
